

Advice and guidance for students who have been advised to self-isolate

Whilst the school remains open we do not have the capacity to send individual programmes of study to those students currently absent from school due to illness or self-isolation. There are, however, a number of actions that you can take to ensure that your child continues to learn at home.

Years 12 and 13 will have work provided separately by the sixth form team.

Please use the general and subject specific suggestions below and work with your child to create the best home study programme for them.

Key Stage 4

Resource	Website	Notes
BBC Bitesize	https://www.bbc.co.uk/bitesize	Range of subjects with questions and mini-tests
GCSE Pod	https://www.gcsepod.com/	All KS4 students should already be using GCSE Pod
Seneca Learning	https://app.senecalearning.com/courses	Free site which provides video tutorials and online tests which are marked.
Save my exams	https://www.savemyexams.co.uk/	Free access to past papers for most subjects with answers and video tutorials. £5/month subscription gives access to a wider range of content.
S-Cool	https://www.s-cool.co.uk/	Free access to topic based resources for most subjects after you have registered on the site.
Quizlet	https://quizlet.com	Useful testing site for most subjects
Pinterest	https://www.pinterest.co.uk/	Useful website for creative ideas
Geography
