

Setting up my account in Unifrog

The screenshot shows a web browser window with the URL <https://www.unifrog.org/sign-in>. The page features the Unifrog logo and a navigation menu with links for ABOUT, BLOG, INSIGHTS, CASE STUDIES, JOBS, CONTACT, and a highlighted SIGN IN button. The main content area is titled "Sign in" and displays a message: "Please try again: 1. Email address or password not recognised." Below this are input fields for the email address (containing "gamoore@monkswalk.herts.sch.uk") and "Your password", followed by a "Sign in" button and a "Forgotten your password?" link. A callout box on the right contains the text: "If you have forgotten your log in details on Unifrog **don't** try to sign in. Use the sign in for the first time". A blue arrow points from this box to a link on the page that says "Been given a Form Code? > Sign in for the first time". At the bottom of the browser window, the Windows taskbar is visible, showing the Start menu, search bar, and various application icons. The system tray on the right indicates the time as 13:26 on Tuesday, 16/06/2020.
